

MULTNOMAH ATHLETIC FOUNDATION

***Here are three ways MAC members' generosity is currently helping the community!***

### **SUPPORTING FUTURES WITH SCHOLARSHIPS**

Eight scholarship programs, named for amazing MAC members and staff, are fully funded. This year MAF is funding \$127,000 for 65 scholarships, including five awards from the Fay Sasser MAC Employee scholarship program.

### **BUILDING A STRONGER COMMUNITY**

MAF will award \$50,000 to community grant partners in June! The foundation loosened its grant restrictions to be more responsive to today's needs, and delayed its grant deadline to give our partners more time to evaluate their needs without delaying funding. Thank you for helping us raise a record \$40,000 at the January Spin-a-thon—enabling us to support organizations reaching kids right now.

### **WORKING TOGETHER FOR STAFF**

MAF partnered with MAC to find and vet a qualified partner, America's Charities, who specializes in employee assistance funds. Working together, the platform launched on May 1st offers members the opportunity to support MAC staff during these uncertain times.

*"We are actively committed to maintaining access to grants and scholarships during this unprecedented time,"* said Pam Welch, board co-chair. *"The community support from members provides hundreds of underserved youth continued access to opportunities through athletics and gives our partners access to resources they need."*

The Multnomah Athletic Foundation's board of directors and the MAC's board of trustees together made the decision to postpone the annual fund drive in July, which fuels the foundation's ability to provide grants and scholarships. We thank you for your support in previous years and we thank you in advance for your support in the future.
