

MAC Professionals

Guide to MAC Businesses and Service Professionals

Making business connections can be challenging for new and longtime members alike. Want to promote your services, find a member-owned business and network with other club professionals?

The Winged M has you covered. Work with a MAC designer to pick the options that are right for your business. Simply submit a headshot, logo, tagline and contact information. They will do the rest!

MAC Professionals is a monthly guide to member businesses and services published in the MAC Marketplace section of the magazine.

What will you find? Perhaps more importantly, who will find you?
